

I'm so happy to meet you!

Welcome to Kindergarten!

My name is Lindsey Ferguson, soon to be Mrs. Mock, and I will be your child's Kindergarten teacher! Teaching is an absolute passion of mine! This year is going to be a year of learning, including a lot of fun and exciting adventures. I look forward to working with you and getting to know your child in order to help him or her learn and grow each day.

It is my mission to instill a love for learning in my students. I will use my passion for teaching to encourage my students to desire to become life-long learners.

You can help by sending well-rested children with full tummies and a hug and a kiss still fresh on their mind to set the stage for a lovely day. I look forward to building a relationship with you and your child and thus providing the best education that I am capable of giving.

A little about me...

I graduated from John Carroll University with a Bachelor's Degree in Early Childhood Education in May 2017. This will be my third year at Campus International.

I am originally from Pittsburgh, Pennsylvania, but have made Cleveland my new home. This may have a lot to do with my wonderful fiancé. We will be getting married in Pittsburgh and will be traveling to St. Lucia for our honeymoon.

Along with wedding planning, I spend most of my time reading, hiking, running, traveling, and enjoying visits with family.

A fun fact about me is that I was a competitive Irish Dancer for 16 years and competed in the World Championships in London 2014. Be prepared for your child to come home and show off a few steps, especially around St. Patrick's Day!

I cannot wait for our year together!

A few of my favorites...

Kindergarten Readiness Assessment

The beginning of school is almost here. As we prepare for the new school year, your child will be taking the KRA. We will begin this assessment the week of August 12th. Families need to register their child as soon as possible.

To register visit our classroom website www.kindergartenatcampus.weebly.com for a direct link (under forms tab).

The assessment is conducted one-on-one and should take approximately 45 minutes to complete.

I look forward to seeing you all soon!

Some goals...

I hope to work together with you and your child in order to make this year amazing. I believe that families have an invaluable wealth of knowledge that should be shared within the classroom. I hope to have many opportunities for you to be involved in the classroom whether it be through sharing stories about your family's traditions, culture, and heritage, being a mystery reader, or just coming to help out in the classroom. I would like each child in my classroom to feel as though they are represented, important, and respected.

Please check out the following pages for important information about Kindergarten Orientation, Our Phase-In Schedule, and the Kindergarten Supply List!
